-------------------	-----------------

A credit card must be kept on file to be utilized when an appointment is missed or to bill for phone sessions. The use of a credit card to pay for copays or regular sessions is optional. You may pay for regular sessions with a check, cash or credit card.

Text Messages are only to be utilized to change appointment dates or times. Any other reasons for contact with the therapist need to be made by phone and shall be considered a phone session.

I have read and fully understand the above rates for therapy and phone sessions.
